

# 2024 Youth STOCK Class Rules

## Officials

Justin Buchanan 937-533-9091  
Jordan Rutherford 513-678-8488

**This is a learning class for our youth drivers.**  
These rules are the same as adult MWFA Street Stock.

All youth will be in one class with the ages of 10-16.

**\*\*\*Note: If a driver runs in the youth class, they will not be allowed to compete in any other classes that night.\*\*\***

1. Any 1980 and newer 2 wheel drive passenger car/mini-van/mini-truck/mid-size SUV
2. All vehicles must be stripped of all plastic, glass, headlights, taillights, and anything else that could fall off onto the track during the show
3. All vehicles must remain stock, **ABSOLUTELY NO WELDING ANYWHERE EXCEPT AS PERMITTED IN RULES 9 & 10.**
4. Bumpers must remain stock, do not alter the bumper in any way. Factory bumper shocks must remain in the factory location. You may remove rear bumpers and shocks. There is no welding to be done on bumpers.
5. Batteries may be left in stock location and spray foam may be added around the battery. You may also move the battery to the passenger floor or seat. Please make sure the battery is not moving.
6. If the factory gas tank is in front of the axle you may leave it there. If it;s behind the axle, you must move it to the rear seat area. Factory tanks may be moved inside but completely secured. Aftermarket tanks may be used.
7. All doors may be wired or chained in 6 places max per seam
8. Trunks, hoods, tailgates, all may be wired or chained in 6 places total. Sheet metal to sheet metal only. Nothing to frame or bumpers. If you remove the trunk or tailgate you lose that wire or chain.
9. Rear seat bar may be added. It may be welded to post. IF you have to add something to get it away from the seat, please call. This is only to stop sides from coming in, not to help any other part of the vehicle.
10. The Driver's door only may have a plate welded to the outside or inside. This if for driver safety
11. DOT tires only. Stock wheels only. All wheel weights must be removed. Only tubes and air are permitted inside of tires.

**These rules are cut and dry, you should not have to call to ask many questions in this class. If it does not say you can do it, then that means YOU CANNOT do it. Quick and easy build!**
